Dear Harold:

I am very appreciative of the enclosures which arrived along with your letter of the 25th. I would greatly appreciate your making a name search on H. L. Hunt, Nelson Bunker Hunt and Lamar Hunt. I am enclosing a check to cover the photostating costs.

There are so many things to do here that I don't know where to start, and of course, I like to do some hunting in the fall.

I just got back from the West Coast, but I didn't have a chance to talk with Pete Noyes, etc.

Again, thanks for the attachments.

Best regards,

Paul M. Rothermel, Jr.
